Game Summary:

Game #1

Old Mill Opens Football Season With Commanding 32-8 Victory Over Meade

Patriots establish early momentum behind Tyjae Blackstone and a strong defensive performance.

FORT MEADE, Md. — Old Mill opened its 2026 football season with a convincing road victory Friday, defeating Meade, 32-8, in a nonconference matchup.

The Patriots combined an effective ground attack with a defensive performance that limited the Mustangs to eight points, giving Old Mill an encouraging start to the season.

Tyjae Blackstone led the Patriots' reported rushing production with 64 yards on nine carries. He also contributed in the passing game, recording a 33-yard reception.

Quarterback E. Buck completed 4 of 10 passes for 56 yards as Old Mill found enough offensive production to pull away.

For Meade, running back J. Rumley rushed for 71 yards and a touchdown on 10 carries, accounting for the Mustangs' leading reported rushing performance.

Quarterback K. Rogers completed 6 of 10 passes for 52 yards with one interception. Receiver D. Bayton Jr. added five catches for 40 yards.

The victory gave Old Mill a 1-0 record and provided a strong opening statement before the Patriots entered Anne Arundel County conference play.

With the season underway, the Patriots' ability to control the scoreboard offered an early indication of their potential.

Old Mill was scheduled to host Crofton next, facing a team that opened its season with a 44-0 victory over Southern.

DMV Gridiron Takeaway: Old Mill established a strong defensive foundation while Blackstone demonstrated his value as a versatile offensive contributor. The opening win set up an early test against Crofton.

Final Score: Old Mill 32, Meade 8

Player Spotlight: Tyjae Blackstone — 64 rushing yards on 9 carries; 33 receiving yards.

Game #2

Old Mill Falls One Point Short Against Crofton Despite Blackstone's 172 Rushing Yards

Patriots surrender 16 third-quarter points in 16-15 conference defeat.

MILLERSVILLE, Md. — Old Mill's first conference matchup of the season turned into a narrow defeat Thursday, as Crofton escaped with a 16-15 victory despite a standout rushing performance from Tyjae Blackstone.

Blackstone rushed for 172 yards and two touchdowns on just nine carries, providing the Patriots with their most explosive offensive performance of the young season.

But Crofton produced all 16 of its points in the third quarter, building an advantage Old Mill could not overcome.

After a scoreless first half, the game changed dramatically following halftime.

Crofton outscored Old Mill 16-13 in the third quarter, taking a three-point lead into the final period.

The Patriots added two points in the fourth quarter and held Crofton scoreless, but the late scoring was not enough to erase the deficit.

Blackstone averaged more than 19 yards per carry, underscoring his ability to generate big plays.

Crofton's Dominic Jackson rushed for 88 yards and two touchdowns on 16 carries. He also caught two passes for 54 yards.

Crofton quarterback Logan Davis completed 3 of 9 passes for 73 yards with two interceptions.

For Old Mill, Nyjae Colbert added two receptions for 26 yards.

The Patriots fell to 1-1, while Crofton improved to 2-0.

Old Mill was scheduled to host Severn Run next, seeking to respond after a frustrating conference loss.

DMV Gridiron Takeaway: Blackstone gave Old Mill enough explosive production to win, but Crofton's decisive third quarter proved costly. The Patriots showed resilience by shutting out the visitors in the fourth quarter.

Final Score: Crofton 16, Old Mill 15

Key Performers:

- Tyjae Blackstone — 172 rushing yards, 2 touchdowns, 9 carries.
- Nyjae Colbert — 2 receptions, 26 yards.
- Crofton's Dominic Jackson — 88 rushing yards, 2 rushing touchdowns, 54 receiving yards.

Game #3

Old Mill Bounces Back Against Severn Run as Blackstone Rushes for 170 Yards

Buck and Colbert contribute through the air in Patriots' 21-13 victory.

MILLERSVILLE, Md. — Old Mill responded to its first loss of the season with a balanced offensive performance Friday, defeating Severn Run, 21-13, in an Anne Arundel County football matchup.

Tyjae Blackstone rushed for 170 yards on 19 carries, continuing his productive start to the season and helping the Patriots improve to 2-1.

Quarterback E. Buck completed 10 of 16 passes for 157 yards, one touchdown and one interception.

Receiver Nyjae Colbert added six receptions for 120 yards. The supplied statistics also credit Colbert with two receiving touchdowns, a figure that differs from the quarterback's reported one touchdown pass and should be verified.

The Patriots' offensive production helped them rebound from a 16-15 defeat against Crofton the previous week.

Against Severn Run, Old Mill found enough success through both the running and passing games to create separation on the scoreboard.

Severn Run quarterback C. Johnson completed 8 of 17 passes for 89 yards.

Receiver J. Washington led the Wolves' reported receiving production with three catches for 56 yards.

The defeat dropped Severn Run to 2-1.

For Old Mill, the victory restored momentum ahead of another conference matchup.

The Patriots were scheduled to host Arundel next, with an opportunity to build their first winning streak of the season.

DMV Gridiron Takeaway: Blackstone continued to anchor the offense, but Colbert's 120 receiving yards gave Old Mill another major weapon. The Patriots demonstrated greater offensive balance in their response to the Crofton loss.

Final Score: Old Mill 21, Severn Run 13

Key Performers:

- Tyjae Blackstone — 170 rushing yards on 19 carries.
- E. Buck — 10-of-16 passing, 157 yards, 1 TD, 1 INT.

- Nyjae Colbert — 6 receptions, 120 yards; receiving touchdown total pending verification.

Game #4

Old Mill Dominates Arundel 45-0 Behind Blackstone's Three-Touchdown Performance

Patriots score 35 first-half points and record their first shutout of the season.

MILLERSVILLE, Md. — Old Mill delivered its most complete performance of the season Friday, overwhelming Arundel, 45-0, in an Anne Arundel County conference matchup.

Tyjae Blackstone rushed for 152 yards and three touchdowns on 17 carries as the Patriots improved to 3-1 with their second consecutive victory.

Old Mill established control immediately.

The Patriots scored 21 points in the first quarter and added 14 in the second, building a 35-0 halftime advantage.

Their defense kept Arundel scoreless throughout the contest.

Old Mill added a field goal in the third quarter and seven more points in the fourth to complete the shutout.

Quarterback E. Buck completed 4 of 7 passes for 107 yards and two touchdowns.

Receiver Max Gregory caught two passes for 59 yards and two touchdowns, providing an efficient complement to Blackstone's rushing performance.

The Patriots combined five reported offensive touchdowns from Blackstone and Gregory with a defense that prevented Arundel from reaching the scoreboard.

For Arundel, quarterback A. Weaver completed 1 of 6 passes for 10 yards.

The Wildcats fell to 1-3.

Old Mill's victory marked a significant step forward after its narrow defeat to Crofton two weeks earlier.

The Patriots were scheduled to face North County next, looking to extend their winning streak.

DMV Gridiron Takeaway: Old Mill's offense was explosive and efficient, but the defensive shutout made the victory especially impressive. Blackstone's three rushing touchdowns and Gregory's two receiving scores gave the Patriots multiple ways to attack.

Final Score: Old Mill 45, Arundel 0

Key Performers:

- Tyjae Blackstone — 152 rushing yards, 3 TD, 17 carries.
- E. Buck — 107 passing yards, 2 TD.
- Max Gregory — 2 receptions, 59 yards, 2 TD.

Game #5

Old Mill Records Second Straight Shutout, Defeats North County 35-0

Blackstone runs for 165 yards as Tucker and Gregory connect through the air.

GLEN BURNIE, Md. — Old Mill's defense continued its impressive run Friday, recording a second consecutive shutout in a 35-0 victory over North County.

The Patriots improved to 4-1 with their third straight win, extending a stretch in which they had outscored their previous two opponents 80-0.

Tyjae Blackstone rushed for 165 yards and a touchdown on 18 carries, giving Old Mill another productive performance from its leading reported rusher.

Quarterback Braylon Tucker completed 8 of 13 passes for 138 yards and a touchdown.

Receiver Max Gregory caught seven passes for 135 yards and a touchdown, accounting for nearly all of Tucker's reported passing yardage.

The combination of Blackstone's rushing and Gregory's receiving provided the Patriots with a strong offensive foundation.

Meanwhile, Old Mill's defense prevented North County from scoring in any quarter.

The Knights entered the matchup with a 2-2 record but were unable to break through against the Patriots.

North County fell to 2-3.

The victory followed Old Mill's 45-0 rout of Arundel and continued the team's recovery from its only loss, a one-point setback against Crofton.

With consecutive shutouts and three straight victories, the Patriots entered October with growing momentum.

Old Mill was scheduled to travel to Severna Park next.

DMV Gridiron Takeaway: Old Mill's defense has become a defining strength. Back-to-back shutouts, combined with Blackstone's rushing and Gregory's receiving production, have made the Patriots increasingly difficult to contain.

Final Score: Old Mill 35, North County 0

Key Performers:

- Tyjae Blackstone — 165 rushing yards, 1 TD, 18 carries.
- Braylon Tucker — 8-of-13 passing, 138 yards, 1 TD.
- Max Gregory — 7 receptions, 135 yards, 1 TD.

Game #6

Tyjae Blackstone Explodes for 207 Yards as Old Mill Beats Severna Park, 39-17

Patriots win fourth straight and improve to 5-1 ahead of Broadneck matchup.

SEVERNA PARK, Md. — Tyjae Blackstone delivered his most productive rushing performance of the season Friday, powering Old Mill to a 39-17 victory over Severna Park.

Blackstone rushed for 207 yards and two touchdowns on just 13 carries, averaging nearly 16 yards per attempt as the Patriots secured their fourth consecutive victory.

Old Mill improved to 5-1.

The Patriots faced an early challenge when Severna Park took a 7-6 lead after the first quarter.

But Old Mill responded in the second period, scoring 12 unanswered points to take an 18-7 advantage into halftime.

The Patriots extended their lead after the break, outscoring the Falcons 14-3 in the third quarter.

Old Mill added seven more points in the fourth to complete the victory.

Max Gregory contributed four receptions for 38 yards and a touchdown, giving the Patriots another receiving score from one of their most productive offensive players.

Severna Park quarterback Ben Greenlee completed 9 of 23 passes for 132 yards and two touchdowns but threw three interceptions.

Receiver James Malena caught four passes for 144 yards and a touchdown, according to the reported statistics.

The Falcons fell to 1-5.

For Old Mill, the victory continued a remarkable response to its lone defeat against Crofton on September 10.

Since that loss, the Patriots have defeated Severn Run, Arundel, North County and Severna Park.

They have scored at least 35 points in three consecutive games.

Old Mill was scheduled to face Broadneck next in a matchup between two teams carrying 5-1 records.

DMV Gridiron Takeaway: Blackstone's 207-yard performance reinforced his importance to Old Mill's offense. The Patriots overcame an early deficit, controlled the middle quarters and entered their next matchup riding four straight victories.

Final Score: Old Mill 39, Severna Park 17

Key Performers:

- Tyjae Blackstone — 207 rushing yards, 2 TD, 13 carries.
- Max Gregory — 4 receptions, 38 yards, 1 TD.
- Severna Park's Ben Greenlee — 132 passing yards, 2 TD, 3 INT.

Old Mill DMV Gridiron Story:

Old Mill Has Found Its Formula: Tyjae Blackstone, Explosive Offense and a Defense Built to Win

After a one-point loss to Crofton, the Patriots have won four straight and emerged as a contender in Anne Arundel County football.

MILLERSVILLE, Md. — One point separates Old Mill from an unbeaten start to the 2026 high school football season.

That narrow margin came on September 10, when Crofton escaped Millersville with a 16-15 victory.

Since then, the Patriots have done considerably more than recover.

They have won four consecutive games, recorded two shutouts and developed one of the most productive rushing attacks in their portion of Anne Arundel County.

At the center of that success is Tyjae Blackstone.

Through six games, Blackstone has accumulated 930 rushing yards on 85 carries, averaging 155 yards per game and more than 10 yards per attempt.

His production has been remarkably consistent.

He rushed for 172 yards against Crofton, 170 against Severn Run, 152 against Arundel and 165 against North County.

Then came his biggest performance of the season.

Against Severna Park on October 9, Blackstone rushed for 207 yards and two touchdowns on just 13 carries, powering Old Mill to a 39-17 victory.

But the Patriots' resurgence has involved more than one player.

Receiver Max Gregory has emerged as a significant contributor, delivering two touchdown receptions against Arundel, 135 receiving yards against North County and another touchdown catch against Severna Park.

Nyjae Colbert provided an additional receiving threat with six catches for 120 yards against Severn Run.

Quarterbacks E. Buck and Braylon Tucker have contributed productive passing performances, giving Old Mill the ability to complement its running game with downfield production.

The Patriots' defense has been equally important.

After allowing 16 points against Crofton and 13 against Severn Run, Old Mill shut out Arundel, 45-0, and North County, 35-0, in consecutive weeks.

Those performances helped the Patriots build a four-game winning streak.

Across six games, Old Mill has scored 187 points while allowing just 54.

That translates to an average of more than 31 points scored per game and nine allowed.

The results have established Old Mill as a team worth watching as the season moves deeper into October.

The next challenge is significant.

Broadneck, also 5-1 in the supplied standings, awaits the Patriots in a matchup that could provide a clearer measure of Old Mill's position among Anne Arundel County's strongest teams.

For the Patriots, the formula is becoming familiar: establish the running game, create opportunities through the air and make opponents work for every point.

One narrow defeat remains on their record.

Everything since has suggested that Old Mill intends to make it the exception rather than the rule.

DMV Gridiron Takeaway: Old Mill has combined a productive rushing attack with improving offensive balance and a defense capable of shutting opponents out. The Broadneck matchup represents an important test of whether that formula can continue producing victories against stronger competition.

Game Summary;

Game #1

Broadneck Survives St. Mary's Rally, Opens Season With 29-27 Victory

Quarterback K. Nathan throws three touchdown passes as the Bruins hold off their Annapolis rivals.

ANNAPOLIS, Md. — Broadneck wasted little time announcing its offensive potential Friday night. But after building a commanding first-quarter lead against St. Mary's, the Bruins needed nearly every point to escape with a 29-27 victory in their season opener.

The Bruins scored 22 points in the opening quarter, establishing an advantage that ultimately proved decisive in the nonconference meeting between the two Annapolis programs.

St. Mary's refused to disappear.

The Saints scored in every quarter and gradually reduced Broadneck's lead, including six points in the final period. But the Bruins held on for a two-point victory to begin the season 1-0.

Broadneck quarterback K. Nathan completed 12 of 21 passes for 204 yards and three touchdowns, overcoming one interception to lead the passing attack.

Receiver T. Aidan emerged as Nathan's primary big-play target, catching four passes for 116 yards and two touchdowns.

Nathan also contributed 40 rushing yards on six carries.

For St. Mary's, quarterback D. Hitaffer completed 13 of 18 passes for 156 yards and a touchdown.

Receiver D. Jackson recorded seven receptions for 128 yards and two touchdowns, helping keep the Saints within striking distance.

Running back P. Cochran added 59 yards and a touchdown on 16 carries.

Broadneck's 22-point first quarter gave the Bruins enough room to withstand the Saints' comeback attempt. After a scoreless second quarter, Broadneck added seven points in the third before holding off St. Mary's in the fourth.

The narrow victory offered two early lessons for the Bruins: their offense could generate points quickly, but maintaining control against determined opponents would require sustained execution.

Broadneck was scheduled to travel to Baltimore County to face Milford Mill Academy on September 10.

DMV Gridiron Takeaway: Broadneck's passing combination of Nathan and Aidan immediately established itself as a major offensive weapon. The Bruins' ability to withstand St. Mary's rally was encouraging, though the shrinking lead highlighted the importance of finishing games.

Final Score: Broadneck 29, St. Mary's 27

Key Performers:

- K. Nathan — 204 passing yards, 3 TD, 1 INT; 40 rushing yards.
- T. Aidan — 4 receptions, 116 yards, 2 TD.
- St. Mary's D. Jackson — 7 receptions, 128 yards, 2 TD.

Game #2

Broadneck's Offense Produces 388 Yards Through Nathan, but Milford Mill Pulls Away, 48-25

Bruins fall to 1-1 despite a 312-yard passing performance from their quarterback.

BALTIMORE, Md. — Broadneck quarterback K. Nathan delivered an impressive individual performance Thursday, but the Bruins could not contain Milford Mill Academy's offense in a 48-25 nonconference defeat.

Nathan completed 23 of 42 passes for 312 yards and two touchdowns without an interception. He also rushed for 76 yards and two touchdowns on 18 carries.

His combined 388 passing and rushing yards accounted for much of Broadneck's offensive production.

Yet the Bruins struggled to keep pace with Milford Mill, which scored 14 points in the first quarter and never trailed in the second half.

Broadneck entered halftime down 21-13, still within reach after scoring 13 points in the second quarter.

The game turned decisively in the third.

Milford Mill scored 13 unanswered points to extend its lead to 34-13 before adding 14 more in the final period.

Broadneck answered with 12 fourth-quarter points, but the deficit had grown too large.

Receiver T. Aidan continued his productive start to the season, catching eight passes for 128 yards and a touchdown.

Milford Mill running back R. Williams rushed for 202 yards and a touchdown on 14 carries, providing a significant challenge for the Bruins' defense.

Quarterback K. Faulcon completed 8 of 16 passes for 97 yards, a touchdown and an interception.

For Broadneck, the loss was its first of the season and exposed a concern that would need attention: preventing opponents from turning productive drives into sustained scoring runs.

Still, Nathan's performance demonstrated the Bruins' ability to move the ball through multiple dimensions of the offense.

Broadneck fell to 1-1 and was scheduled to face Arundel next.

DMV Gridiron Takeaway: Nathan's 312 passing yards and four combined touchdowns showed Broadneck's offensive ceiling. But allowing 48 points demonstrated that the Bruins needed a stronger defensive response to compete consistently.

Final Score: Milford Mill Academy 48, Broadneck 25

Key Performers:

- K. Nathan — 23-of-42 passing, 312 yards, 2 passing TD; 76 rushing yards, 2 rushing TD.
- T. Aidan — 8 receptions, 128 yards, 1 TD.
- Milford Mill's R. Williams — 202 rushing yards, 1 TD.

Game #3

Broadneck Responds With 48-12 Rout of Arundel Behind Nathan's Four Touchdown Passes

Bruins regain momentum as S. Jack adds 98 rushing yards and F. Max scores twice.

GAMBRILLS, Md. — A week after absorbing its first defeat, Broadneck delivered the response it needed.

The Bruins overwhelmed Arundel, 48-12, on Friday, using an efficient passing performance from quarterback K. Nathan and explosive contributions from their supporting offense to improve to 2-1.

Nathan completed 12 of 19 passes for 236 yards and four touchdowns without an interception.

The performance offered a sharp contrast to Broadneck's previous outing against Milford Mill Academy, when the Bruins scored 25 points but surrendered 48.

Against Arundel, Broadneck produced its highest point total of the young season while holding the Wildcats to 12.

Receiver F. Max caught five passes for 87 yards and two touchdowns, emerging as another dependable scoring target in Broadneck's passing attack.

Running back S. Jack added 98 yards and a touchdown on just five carries, averaging nearly 20 yards per attempt.

The combination of Nathan's efficiency and Jack's explosiveness created a difficult assignment for the Arundel defense.

The Wildcats received 78 passing yards and a touchdown from K. Schurr, who completed 4 of 11 attempts.

But Arundel could not match Broadneck's offensive output.

The victory restored momentum for the Bruins ahead of a matchup against Annapolis, which entered the week unbeaten.

It also demonstrated the offensive versatility Broadneck hoped to establish as conference competition intensified.

With Nathan directing the passing game and Jack providing a home-run threat on the ground, the Bruins showed they could produce points in multiple ways.

DMV Gridiron Takeaway: Broadneck's response to adversity was decisive. Nathan's four touchdown passes and Jack's explosive rushing performance gave the Bruins the balanced production they needed to regain momentum.

Final Score: Broadneck 48, Arundel 12

Key Performers:

- K. Nathan — 12-of-19 passing, 236 yards, 4 TD, 0 INT.
- S. Jack — 98 rushing yards, 1 TD, 5 carries.
- F. Max — 5 receptions, 87 yards, 2 TD.

Game #4

Broadneck Shuts Out Unbeaten Annapolis, 41-0, in Statement Victory

Quarterback K. Nathan throws four touchdowns as the Bruins dominate an important county matchup.

ANNAPOLIS, Md. — Annapolis arrived at Broadneck with an unbeaten record and three victories to open the season.

The Panthers left without scoring a point.

Broadneck delivered its most impressive defensive performance of the season Friday, defeating Annapolis, 41-0, in a conference matchup that strengthened the Bruins' position among Anne Arundel County's leading teams.

Quarterback K. Nathan completed 16 of 18 passes for 218 yards and four touchdowns without an interception, directing an offense that was both productive and exceptionally efficient.

Receiver T. Aidan caught eight passes for 96 yards and two touchdowns, continuing the connection that had helped power Broadneck's passing game since the season opener.

Running back S. Jack added 62 rushing yards and a touchdown on eight carries.

But the defining performance belonged to Broadneck's defense.

Annapolis entered the game 3-0 and had scored 28 points against Glen Burnie in its previous contest.

Against Broadneck, the Panthers failed to score in any quarter.

Annapolis quarterback K. Williams completed 2 of 4 passes for 19 yards and threw two interceptions.

Running back Z. Allen rushed for 44 yards on 11 carries and caught two passes for 19 yards.

The Bruins' defensive performance complemented an offense that had now scored 48 points against Arundel and 41 against Annapolis in consecutive games.

Broadneck improved to 3-1 with its second straight victory.

For a team that had surrendered 48 points to Milford Mill Academy two weeks earlier, the shutout represented a substantial improvement.

The Bruins were scheduled to travel to Glen Burnie next, carrying momentum into another conference matchup.

DMV Gridiron Takeaway: This was Broadneck's most complete victory of the season to that point. Nathan's four touchdown passes were impressive, but holding a previously unbeaten Annapolis team scoreless made the result especially significant.

Final Score: Broadneck 41, Annapolis 0

Key Performers:

- K. Nathan — 16-of-18 passing, 218 yards, 4 TD, 0 INT.
- T. Aidan — 8 receptions, 96 yards, 2 TD.
- S. Jack — 62 rushing yards, 1 TD.
- Broadneck defense — Shutout; 2 interceptions thrown by Annapolis quarterback.

Game #5

Broadneck Erases Halftime Deficit, Pulls Away From Glen Burnie for 39-21 Victory

Bruins score 19 unanswered second-half points as Nathan accounts for five touchdowns.

GLEN BURNIE, Md. — Broadneck found itself in an unfamiliar position at halftime Friday, trailing Glen Burnie by one point despite another productive offensive start.

By the end of the night, the Bruins had turned a narrow deficit into a convincing 39-21 victory.

Broadneck outscored Glen Burnie 19-0 in the second half, using a decisive defensive adjustment and another strong performance from quarterback K. Nathan to secure its third consecutive win.

Nathan completed 26 of 35 passes for 255 yards and four touchdowns, with one interception.

He also rushed for 58 yards and a touchdown on five carries, accounting for five total touchdowns.

The first half featured an offensive exchange.

Both teams scored 14 points in the opening quarter before Glen Burnie took a 21-20 lead into halftime.

The Bruins then took control.

Broadneck scored six unanswered points in the third quarter and added 13 in the fourth, while its defense kept the Gophers off the scoreboard throughout the second half.

Receiver F. Max caught seven passes for 82 yards and a touchdown, continuing his emergence as a significant part of Broadneck's passing attack.

Glen Burnie quarterback K. Smothers completed 5 of 12 passes for 93 yards and a touchdown.

Running back J. Dargbeh added 87 rushing yards and a touchdown on 13 carries.

Receiver D. Lee contributed four receptions for 90 yards and a touchdown.

But the Gophers' early production disappeared after halftime.

Broadneck improved to 4-1, having won three straight since its loss to Milford Mill Academy.

The victory also highlighted the Bruins' ability to win a game that required a second-half response rather than an early offensive avalanche.

Broadneck was scheduled to host North County next.

DMV Gridiron Takeaway: Broadneck's 19-0 second-half advantage demonstrated its ability to adjust and finish. Nathan's five total touchdowns provided the offense, but the second-half defensive shutout determined the outcome.

Final Score: Broadneck 39, Glen Burnie 21

Key Performers:

- K. Nathan — 255 passing yards, 4 passing TD, 1 INT; 58 rushing yards, 1 rushing TD.
- F. Max — 7 receptions, 82 yards, 1 TD.
- Glen Burnie's D. Lee — 4 receptions, 90 yards, 1 TD.

Game #6

Broadneck Overwhelms North County, 49-13, Setting Up Showdown With Old Mill

Bruins build a 35-7 halftime lead as Nathan throws three touchdowns and Aidan catches two.

ANNAPOLIS, Md. — Broadneck left little doubt about its offensive capabilities Friday night.

The Bruins scored 27 points in the first quarter and cruised to a 49-13 victory over North County, extending their winning streak to four games and improving to 5-1.

Quarterback K. Nathan completed 15 of 20 passes for 282 yards and three touchdowns, with one interception.

Receiver T. Aidan caught four passes for 93 yards and two touchdowns, providing another productive performance in a passing combination that has become central to Broadneck's offense.

Running back S. Jack added 85 yards and a touchdown on 11 carries.

The Bruins established control almost immediately.

Broadneck outscored North County 27-7 in the first quarter and added eight more points in the second to take a 35-7 halftime lead.

The Bruins then scored 14 unanswered points in the third quarter, extending their advantage to 49-7.

North County added six points in the final period, but the outcome was already beyond reach.

The Knights received 124 rushing yards and a touchdown from L. Sympton, who carried 17 times.

Quarterback E. Henry completed 5 of 12 passes for 63 yards, a touchdown and an interception.

Receiver T. Bennett caught two passes for 45 yards and a touchdown.

For Broadneck, the victory continued an impressive offensive stretch.

The Bruins have scored at least 39 points in each of their four victories since the loss to Milford Mill Academy.

Over that span, Broadneck has outscored its opponents 177-46.

Now comes one of the most anticipated matchups on the Bruins' schedule.

Broadneck is set to face Old Mill on October 16 in a meeting between two 5-1 teams, each riding a four-game winning streak.

For the Bruins, the challenge will be sustaining their offensive production against a Patriots team that has built its own momentum behind a productive running game and strong defensive performances.

DMV Gridiron Takeaway: Broadneck's offense continues to produce at an exceptional rate. The combination of Nathan, Aidan and Jack gives the Bruins multiple scoring threats, but Old Mill represents an important test of their consistency against another successful county program.

Final Score: Broadneck 49, North County 13

Key Performers:

- K. Nathan — 15-of-20 passing, 282 yards, 3 TD, 1 INT.
- T. Aidan — 4 receptions, 93 yards, 2 TD.
- S. Jack — 85 rushing yards, 1 TD.
- North County's L. Sympton — 124 rushing yards, 1 TD.

Broadneck Bruins – Dmv Gridiron Article

Broadneck Has Become an Offensive Powerhouse. Now Old Mill Awaits.

Behind a prolific passing attack and four consecutive victories, the Bruins enter a major Anne Arundel County matchup with momentum.

ANNAPOLIS, Md. — Broadneck's season could have taken a different direction after its September 10 loss to Milford Mill Academy.

The Bruins had surrendered 48 points, fallen to 1-1 and faced questions about whether their offense could consistently overcome defensive struggles.

A month later, those questions have a different context.

Broadneck has won four straight games, scored 177 points during that stretch and established itself as one of Anne Arundel County's most productive offensive teams.

At the center of the transformation is quarterback K. Nathan.

Through six games, Nathan has completed 104 of 155 passes for 1,507 yards and 20 touchdowns, with four interceptions.

He has also contributed on the ground, including two rushing touchdowns against Milford Mill Academy and another against Glen Burnie.

His passing production has provided Broadneck with a dependable foundation.

But the Bruins' offense is not built around the quarterback alone.

Receiver T. Aidan has delivered multiple standout performances, including 116 yards and two touchdowns against St. Mary's, 128 yards against Milford Mill Academy and two touchdown receptions in each of the victories over Annapolis and North County.

F. Max has given the Bruins another dangerous receiving option.

He caught two touchdown passes against Arundel and added productive performances against Glen Burnie.

Running back S. Jack has provided a complementary rushing threat, with 98 yards on five carries against Arundel, 62 yards against Annapolis and 85 yards against North County.

Together, those contributions have made Broadneck difficult to defend.

The Bruins have scored at least 39 points in four consecutive games.

Their defense has also demonstrated improvement.

Against Annapolis on September 25, Broadneck shut out a previously unbeaten Panthers team, 41-0.

A week later, the Bruins held Glen Burnie scoreless in the second half of a 39-21 victory.

And against North County, Broadneck built a 49-7 lead through three quarters before finishing with a 49-13 win.

Those performances have given the Bruins a 5-1 record entering one of their most important games of the season.

Old Mill awaits.

The Patriots are also 5-1 and have won four consecutive games, led by running back Tyjae Blackstone, who has rushed for 930 yards through six contests.

The matchup presents an intriguing contrast.

Broadneck has built its identity around an explosive passing attack, while Old Mill has leaned heavily on its productive ground game.

Both teams have demonstrated the ability to score in bunches.

Both have also shown they can respond after difficult losses.

For Broadneck, the question is no longer whether it can move the football.

It is whether the Bruins can sustain that production against another team that has spent the past month building momentum.

The answer could help define the next phase of the Anne Arundel County football season.

DMV Gridiron Takeaway: Broadneck enters the Old Mill matchup with one of the strongest reported passing attacks in the county. Nathan's production has been exceptional, but the Bruins' ability to protect the football and limit Blackstone's rushing opportunities could determine whether their winning streak continues.

DMV Gridiron Anne Arundel County Pre Playoff Preview Article:

THE ROAD TO STATES: Anne Arundel County Football's Playoff Picture Is Heating Up

Crofton remains unbeaten, Broadneck and Old Mill prepare for a major showdown, and Annapolis is still in the hunt as Maryland's postseason approaches.

DMV Gridiron | SASN.TV | October 13, 2026

ANNE ARUNDEL COUNTY, Md. — The regular season is entering its defining stretch, and the road to Maryland's high school football state championships is beginning to take shape.

Across Anne Arundel County, several programs have established themselves as serious postseason contenders. Crofton remains unbeaten, Broadneck and Old Mill are riding four-game winning streaks, and Annapolis has rebounded from a difficult loss to remain among the county's leading teams.

But with the postseason approaching, the conversation is shifting.

It's no longer just about who's winning games.

It's about who's playing their best football when it matters most.

CROFTON: THE UNBEATEN CONTENDER

At 6-0, Crofton has put together one of the county's strongest starts.

The Cardinals have combined consistent winning with the ability to survive close games, including a 16-15 victory over Old Mill on September 10.

That result could become increasingly important as the regular season winds down.

Crofton has upcoming matchups against Severn Run, Arundel and Annapolis, giving the Cardinals opportunities to strengthen their postseason résumé.

The biggest question now is whether Crofton can finish the regular season unbeaten and carry that momentum into the playoffs.

BROADNECK: AN OFFENSE BUILT FOR BIG GAMES

Few teams in Anne Arundel County have been more explosive than Broadneck.

After suffering a 48-25 loss to Milford Mill Academy, the Bruins responded with four consecutive victories, outscoring opponents 177-46.

Quarterback K. Nathan has been at the center of that run.

Through six games, Nathan has thrown for 1,507 yards and 20 touchdowns, giving Broadneck one of the area's most productive passing attacks.

Receivers T. Aidan and F. Max have provided big-play ability, while running back S. Jack has added another dimension to the offense.

Broadneck's 41-0 shutout of previously unbeaten Annapolis demonstrated that the Bruins can deliver on both sides of the football.

Now comes another major test.

OLD MILL: THE PATRIOTS ARE ROLLING

Old Mill has built its 5-1 record around a powerful rushing attack and a defense capable of controlling games.

Running back Tyjae Blackstone has emerged as one of the county's most productive offensive players, rushing for 930 yards across six games.

The Patriots have also delivered consecutive shutout victories over Arundel and North County.

Since losing by one point to Crofton, Old Mill has won four straight games.

The Patriots have demonstrated they can win close contests, control the ground game and produce explosive offensive performances.

Their next challenge could reveal just how far this team can go.

GAME OF THE WEEK: BROADNECK VS. OLD MILL

Friday, October 16 | 6:00 PM | Severn Run High School

This matchup has the makings of one of the most significant Anne Arundel County games of the regular season.

Both teams enter at 5-1.

Both have won four consecutive games.

But they bring different offensive identities.

Broadneck wants to stretch the field with Nathan and its receiving corps.

Old Mill wants to establish Blackstone and control the game on the ground.

The matchup could come down to which team dictates the tempo.

Can Old Mill's defense contain Broadneck's explosive passing attack?

Can Broadneck slow down Blackstone and force the Patriots into uncomfortable situations?

And which team will make the critical plays when the game is on the line?

The winner will strengthen its case as one of the county's leading postseason threats.

ANNAPOLIS: DON'T COUNT OUT THE PANTHERS

Annapolis remains firmly in the conversation.

The Panthers have responded to their 41-0 loss against Broadneck with victories over Arundel and Meade.

Their 28-16 win over Meade on October 9 continued that recovery.

At 6-1 in the available county standings snapshot, Annapolis still has an opportunity to make a strong closing statement.

Upcoming matchups against North County and Old Mill will provide additional tests.

The question for Annapolis is whether it can turn its regular-season success into a deeper postseason run.

THE NEXT WAVE OF CONTENDERS

Beyond the headline programs, several other teams deserve attention.

Chesapeake has emerged with a 5-1 record, while Northeast and Severn Run have posted 4-2 starts.

Each has an opportunity to improve its postseason position over the remaining weeks.

Severn Run's upcoming matchup against unbeaten Crofton is particularly interesting.

An upset would create another significant storyline in the county's playoff race.

For teams sitting near the middle of the standings, the final weeks could be especially important.

Every result matters.

THE PLAYOFF CLOCK IS TICKING

Maryland's state football tournament seeding is scheduled for November 2, with the first round set for November 5-7.

The state championships are scheduled for December 3-5.

Official postseason placement will be determined by the MPSSAA point system within each team's classification and region—not simply by the county standings.

That means the final weeks are about more than local bragging rights.

They're about building the strongest possible position for November.

DMV GRIDIRON TAKEAWAY

Anne Arundel County has no shortage of postseason storylines.

Crofton is chasing an undefeated regular season.

Broadneck has one of the area's most dangerous passing attacks.

Old Mill is establishing itself as a physical, balanced contender.

Annapolis is looking to prove its resilience.

And teams such as Chesapeake, Northeast and Severn Run have opportunities to disrupt the picture.

The next few weeks will tell us which teams are simply having good seasons—and which are capable of making a serious run toward a Maryland state championship.

The road to states runs through Anne Arundel County. And DMV Gridiron will be following every step.

DMV Gridiron — The Home of High School Football in the DMV.

Game#1

Broadneck Opens Volleyball Season With Four-Set Victory Over St. Paul's Girls

Bruins overcome a second-set setback to claim a 3–1 win in their home opener.

DMV Volley | August 25, 2026

ANNAPOLIS, Md. — Broadneck opened its girls volleyball season with a promising display of resilience Tuesday, defeating visiting St. Paul's Girls, 25-20, 19-25, 25-20, 25-21, in a four-set nonconference match.

The Bruins took the opening set before the Gators responded in the second, leveling the contest at one set apiece. Rather than allowing the momentum to slip away, Broadneck reclaimed control in the third set and closed out the match with another 25-21 victory.

The final two sets offered an early indication of the Bruins' ability to perform in competitive situations. Neither was a runaway, and Broadneck needed to maintain its advantage against an opponent that had already demonstrated its ability to respond.

The victory gave Broadneck a 1-0 start and an early foundation for a schedule that would soon take the Bruins beyond Maryland.

Next was a road trip to West Virginia to face Musselman, a program that entered the matchup with an impressive early-season record.

DMV Volley Takeaway: Broadneck's opening victory was about more than the result. Winning two competitive sets after dropping the second offered an early test of the Bruins' composure.

SEO: Broadneck Volleyball Defeats St. Paul's Girls 3-1 | Maryland High School Volleyball 2026

Game #2

Broadneck Pushes West Virginia Power Musselman Before Falling in Four Sets

Bruins win the opener but lose two sets by the minimum margin in their first defeat of the season.

DMV Volley | September 4, 2026

INWOOD, W.Va. — Broadneck traveled across state lines Friday looking to build on its season-opening victory. Instead, the Bruins encountered an experienced Musselman team that turned a difficult opening set into a four-set win.

Musselman defeated Broadneck, 16-25, 27-25, 25-17, 26-24, handing the Bruins their first loss of the season.

Broadneck began with authority, taking the opening set 25-16. The second proved pivotal: Musselman survived a tight 27-25 decision to even the match, then captured the third set to move ahead.

The Bruins remained within reach of forcing a fifth set, but Musselman prevailed 26-24 in the fourth.

Three of the four sets were decided by eight points or fewer, and the second and fourth required extra points. The margins underscored how close Broadneck came to extending the contest.

The defeat left Broadneck at 1-1, but the experience against a strong out-of-state opponent provided an early measuring stick.

The Bruins returned home with another significant nonconference challenge ahead: Archbishop Spalding.

DMV Volley Takeaway: Broadneck's loss revealed a team capable of competing with strong opposition. Converting tight late-set situations would become an important measure of its growth.

SEO: Broadneck Volleyball Falls to Musselman 3-1 in West Virginia

Game #3

Broadneck Sweeps Archbishop Spalding Behind Balanced Attack and Strong Serving

Neely Olish records nine kills as the Bruins rebound from their first loss with a decisive three-set victory.

DMV Volley | September 10, 2026

ANNAPOLIS, Md. — Broadneck returned home Thursday and delivered one of its most complete performances of the young season, sweeping Archbishop Spalding, 25-19, 25-12, 25-15.

The Bruins controlled the match after a competitive opening set, holding the Cavaliers to 12 points in the second and 15 in the third.

Neely Olish led Broadneck with nine kills, two aces and four digs. Barrett Bolter contributed seven kills, two aces and five digs, while Marley Evans recorded six aces, three kills and five digs.

Molly Robison added six kills and a block, and Chloe Hays supplied four kills, an ace and a team-high 12 digs.

The distribution of contributions was notable. Broadneck generated offense through several attackers while applying pressure from the service line.

Evans finished with 17 service points, Bolter added 12 and Hays and Olish recorded 10 apiece, according to the coaches' summary.

The result moved Broadneck to 2-1 and restored momentum after its loss to Musselman.

DMV Volley Takeaway: Broadneck's depth stood out. With multiple players contributing kills, aces and defensive plays, the Bruins showed they were not dependent on a single offensive option.

SEO: Broadneck Sweeps Archbishop Spalding 3-0 | Neely Olish Leads Bruins

Tags: Broadneck Volleyball, Archbishop Spalding, Neely Olish, Barrett Bolter, Marley Evans, DMV Volley

Game #4

Broadneck Extends Winning Streak With Straight-Set Victory at Severna Park

Bruins control all three sets in a 25-13, 25-16, 25-18 win over the Falcons.

DMV Volley | September 22, 2026

SEVERNA PARK, Md. — Broadneck continued its strong September form Tuesday, sweeping host Severna Park in three sets to improve to 3-1.

The Bruins won 25-13, 25-16, 25-18, controlling the scoreboard throughout the match.

Broadneck's opening-set performance established the tone. The Bruins allowed just 13 points in the first set, then maintained a comfortable margin in the second.

Severna Park improved its point total in each set, but the Falcons could not extend the contest.

The victory marked Broadneck's second consecutive sweep following its win over Archbishop Spalding.

Through four matches, the Bruins had shown two different strengths: the ability to prevail in a competitive four-set opener and the ability to finish matches without conceding a set.

With Meade next on the schedule, Broadneck had an opportunity to build further momentum before facing a Severn Run team that entered late September unbeaten.

DMV Volley Takeaway: Consecutive sweeps suggested that Broadneck was finding consistency. The Bruins were beginning to turn promising performances into convincing results.

SEO: Broadneck Volleyball Sweeps Severna Park 3-0 | Anne Arundel County

Tags: Broadneck Bruins, Severna Park Falcons, Maryland Girls Volleyball, DMV Volley

Game #5

Barrett Bolter's 11 Aces Power Broadneck to Dominant Sweep of Meade

Bruins hold Mustangs to 26 total points in their third consecutive straight-set victory.

DMV Volley | September 24, 2026

FORT MEADE, Md. — Broadneck's serving pressure overwhelmed Meade on Thursday as the Bruins rolled to a 25-7, 25-12, 25-7 victory.

The sweep improved Broadneck to 4-1 and extended its winning streak to three matches.

Barrett Bolter produced a standout all-around performance, finishing with 11 aces, 22 service points, four kills, 16 assists, eight digs and a block.

Neely Olish added five aces, 14 service points and six assists, while Marley Evans contributed 14 service points and three kills.

The Bruins also spread the offensive workload. Chloe Hays finished with six kills, Emma Graves and Ella Luscomb recorded five apiece, and Khloe Smith added four.

Meade managed just seven points in both the first and third sets, highlighting the gap Broadneck established.

For a Bruins team that had already demonstrated offensive balance, the performance reinforced another advantage: its ability to create separation through serving.

Broadneck's next challenge was a matchup with Severn Run, which entered the week unbeaten.

DMV Volley Takeaway: Bolter's 11-ace performance demonstrated how dangerous Broadneck can be when its serving game is clicking. The Bruins can create scoring runs without relying exclusively on their attack.

SEO: Barrett Bolter Records 11 Aces as Broadneck Sweeps Meade 3-0

Game #6

Broadneck Hands Severn Run Its First Loss With Three-Set Sweep

Bruins improve to 5-1 after defeating the previously unbeaten Wolves at home.

DMV Volley | September 29, 2026

ANNAPOLIS, Md. — Broadneck entered Tuesday's matchup with Severn Run carrying a three-match winning streak. The visiting Wolves arrived without a loss.

Only one streak survived.

Broadneck swept Severn Run, 3-0, improving to 5-1 while handing the Wolves their first defeat of the season.

The result was significant because of the opponent. Severn Run entered the match 4-0 and had established itself as one of the county's early contenders.

Broadneck, meanwhile, was building its own case through a series of decisive victories. The Bruins had already swept Archbishop Spalding, Severna Park and Meade.

The Severn Run result extended that run to four consecutive straight-set wins.

Although individual statistics and set scores were not included in the available report, the match outcome added another meaningful result to Broadneck's résumé.

The Bruins were scheduled to face South River next, with a chance to continue their winning streak into October.

DMV Volley Takeaway: Beating an unbeaten opponent matters. Broadneck's sweep of Severn Run provided a stronger indication of its standing in the Anne Arundel County volleyball landscape.

SEO: Broadneck Volleyball Hands Severn Run First Loss With 3-0 Sweep

Tags: Broadneck Bruins, Severn Run Wolves, Anne Arundel County Volleyball, DMV Volley

Game #7

Broadneck Hands Severn Run Its First Loss With Three-Set Sweep

Bruins improve to 5-1 after defeating the previously unbeaten Wolves at home.

DMV Volley | September 29, 2026

ANNAPOLIS, Md. — Broadneck entered Tuesday's matchup with Severn Run carrying a three-match winning streak. The visiting Wolves arrived without a loss.

Only one streak survived.

Broadneck swept Severn Run, 3-0, improving to 5-1 while handing the Wolves their first defeat of the season.

The result was significant because of the opponent. Severn Run entered the match 4-0 and had established itself as one of the county's early contenders.

Broadneck, meanwhile, was building its own case through a series of decisive victories. The Bruins had already swept Archbishop Spalding, Severna Park and Meade.

The Severn Run result extended that run to four consecutive straight-set wins.

Although individual statistics and set scores were not included in the available report, the match outcome added another meaningful result to Broadneck's résumé.

The Bruins were scheduled to face South River next, with a chance to continue their winning streak into October.

Game #8

Broadneck Cruises Past South River for Fifth Consecutive Sweep

Barrett Bolter distributes 22 assists as Bruins extend winning streak to five matches.

DMV Volley | October 1, 2026

ANNAPOLIS, Md. — Broadneck opened October the same way it closed September: with another decisive victory.

The Bruins swept visiting South River, 25-10, 25-7, 25-13, on Thursday, extending their winning streak to five matches and improving to 6-1.

Barrett Bolter directed the offense with 22 assists while adding six aces, three kills and four digs.

Neely Olish contributed 20 assists, five kills and two aces. Marley Evans recorded eight kills, three aces and nine digs.

Julie Wagner anchored the defensive effort with 20 digs and added two aces, while Olivia Wheeler contributed seven digs and two aces.

The Bruins' distribution of assists was particularly notable. Bolter and Olish combined for 42, illustrating the multiple ways Broadneck could organize its attack.

Broadneck allowed just 30 points across the three sets, including only seven in the second.

The victory was the Bruins' fifth consecutive sweep, a stretch that included wins over Archbishop Spalding, Severna Park, Meade and Severn Run.

A more demanding test awaited: The Academy of the Holy Cross, which entered its matchup with Broadneck at 12-2.

DMV Volley Takeaway: Broadneck's five-match sweep streak demonstrated consistency, but its next challenge would test whether that success could translate against another high-performing program.

SEO: Broadneck Sweeps South River 3-0 | Barrett Bolter Records 22 Assists

Game #9

Holy Cross Ends Broadneck's Five-Match Winning Streak in Four Sets

Bruins take the third set but cannot complete the comeback against the 13-2 Tartans.

DMV Volley | October 5, 2026

KENSINGTON, Md. — Broadneck's impressive run of five consecutive sweeps ended Monday against one of the region's stronger nonconference opponents.

The Academy of the Holy Cross defeated the Bruins, 25-21, 25-13, 17-25, 25-16, dropping Broadneck to 6-2.

The Tartans entered the contest with a 12-2 record and demonstrated their quality by taking the opening two sets.

Broadneck refused to go quietly.

After struggling in the second set, the Bruins responded with a 25-17 victory in the third, keeping alive their hopes of extending the match.

Holy Cross regained control in the fourth, closing out the victory 25-16.

For Broadneck, the defeat represented a change from its recent dominance. The Bruins had not surrendered a set during their previous five matches.

The result also came at a demanding point in the schedule. Broadneck was set to return home the following day to face Arundel, another team with a winning record.

That quick turnaround offered the Bruins an immediate opportunity to respond.

DMV Volley Takeaway: The Holy Cross match exposed Broadneck to a higher level of resistance. How the Bruins responded against Arundel would provide an important measure of their resilience.

Game #10

Broadneck Outlasts Arundel in Five-Set Thriller as Neely Olish Delivers

Olish records 14 kills and 18 assists in a dramatic 3-2 victory over the Wildcats.

DMV Volley | October 6, 2026

ANNAPOLIS, Md. — Twenty-four hours after seeing its five-match winning streak end, Broadneck found itself in another demanding test.

This time, the Bruins emerged with a victory.

Broadneck defeated Arundel, 22-25, 25-22, 25-22, 24-26, 15-12, in a five-set contest Tuesday that demanded contributions across the roster.

Neely Olish led the way with 14 kills, 18 assists, 13 digs, two aces and two blocks.

Barrett Bolter added eight kills, 15 assists, 12 digs and three aces. Marley Evans supplied eight kills, 12 digs and two blocks.

Ella Luscomb contributed 10 kills, while Chloe Hays added seven kills and 14 digs.

Julie Wagner recorded 18 digs, and Olivia Wheeler finished with 17, helping Broadneck withstand a competitive Arundel attack.

The Bruins faced adversity early after dropping the opening set. They responded by winning the next two, both 25-22, before Arundel forced a deciding fifth with a 26-24 victory in the fourth.

Broadneck closed the match 15-12 to improve to 7-2.

The victory carried added significance after the previous day's loss to Holy Cross. Rather than allowing one setback to become two, the Bruins answered with one of their toughest wins of the season.

Next came Crofton, another strong Anne Arundel County opponent.

DMV Volley Takeaway: This was a different kind of Broadneck victory. After weeks of sweeps, the Bruins proved they could survive a five-set battle, absorb a setback and finish under pressure.

Down Two Sets, Broadneck Rallies Past Crofton in Statement Volleyball Victory

Bruins complete a five-set comeback to improve to 8-2 and strengthen their postseason résumé.

DMV Volley | October 8, 2026

GAMBRILLS, Md. — Broadneck had spent much of the season winning comfortably. On Thursday, the Bruins faced a far more difficult assignment.

Trailing Crofton two sets to none, Broadneck needed three consecutive victories to avoid defeat.

The Bruins delivered.

Broadneck rallied for a 14-25, 25-27, 25-18, 25-19, 15-9 victory, completing a dramatic five-set comeback against a Crofton team that entered the match 6-1.

The opening two sets belonged to the hosts. Crofton took the first 25-14, then survived a tight second set 27-25 to move within one set of victory.

Broadneck's response changed the match.

The Bruins won the third set 25-18 and followed with a 25-19 victory in the fourth, forcing a decisive fifth.

With the match reduced to 15 points, Broadneck finished the comeback 15-9.

The victory improved the Bruins to 8-2 and gave them consecutive five-set wins over Arundel and Crofton.

Those results may prove especially valuable as the postseason approaches. Broadneck had already demonstrated it could dominate opponents in straight sets. Against Crofton, it showed it could recover from a two-set deficit against a quality opponent.

Broadneck was scheduled to host Annapolis on October 15, with an opportunity to build on its late-season momentum.

DMV Volley Takeaway: The Crofton comeback may be Broadneck's most revealing win of the season. The Bruins showed the composure and staying power required to win when the margin for error disappears.

Broadneck Bruins – DMV Volley Article

Built for the Fifth Set: Broadneck's Volleyball Season Is Becoming a Story of Resilience

After five consecutive sweeps, the Bruins have found another way to win. Back-to-back five-set victories over Arundel and Crofton suggest Broadneck is developing the toughness required for a postseason run.

By DMV Volley | SASN.TV | October 13, 2026

ANNAPOLIS, Md. — For much of September, Broadneck made winning look routine.

Opponents arrived, the Bruins established control, and three sets later the match was over.

Five consecutive sweeps turned a promising start into a statement. Archbishop Spalding, Severna Park, Meade, Severn Run and South River all fell without winning a set.

But the most revealing part of Broadneck's season may have come after that streak ended.

In a four-day stretch in October, the Bruins lost to The Academy of the Holy Cross, survived a five-set battle with Arundel and rallied from two sets down to defeat Crofton.

Three matches. Three different tests. And perhaps the clearest indication yet of what this Broadneck team could become.

From Dominance to Adversity

Broadneck's 8-2 record tells one story. The manner in which the Bruins reached it tells another.

After opening with a four-set victory over St. Paul's Girls, Broadneck suffered its first loss at Musselman in West Virginia.

The Bruins responded with five consecutive straight-set wins, displaying a balanced attack, effective serving and contributions throughout the lineup.

Then Holy Cross interrupted that momentum with a four-set victory on October 5.

Broadneck's response was immediate.

Against Arundel the following day, the Bruins survived five sets, closing the deciding frame 15-12.

Two days later, Crofton pushed them even further. Broadneck lost the first two sets before taking the next three, completing one of its most significant victories of the season.

A team that had grown accustomed to winning comfortably was learning to win under pressure.

The Players Driving Broadneck's Success

Neely Olish has emerged as one of the Bruins' most versatile contributors.

Against Arundel, she recorded 14 kills, 18 assists, 13 digs and two blocks, delivering production across multiple phases of the match.

Barrett Bolter has also provided a wide-ranging impact.

Her 11 aces against Meade highlighted Broadneck's serving strength, while her 22 assists against South River demonstrated her role in organizing the offense.

Marley Evans has contributed as both an attacker and server, recording eight kills and three aces against South River.

Broadneck has also benefited from the work of Julie Wagner, Olivia Wheeler, Chloe Hays and Ella Luscomb.

Wagner recorded 20 digs against South River and 18 against Arundel. Wheeler added 17 digs against Arundel, while Luscomb contributed 10 kills in that five-set victory.

The collective production gives Broadneck options when opponents adjust or when a match demands a different approach.

Why the Crofton Victory Matters

Broadneck's comeback against Crofton stands apart from its earlier wins.

The Bruins were not protecting an early advantage. They were trying to erase a two-set deficit against a team that entered the match 6-1.

After losing the first set 25-14 and the second 27-25, Broadneck faced elimination from the match.

Instead, the Bruins won the final three sets, including a decisive 15-9 fifth.

It was a victory built on persistence rather than dominance.

And with postseason volleyball approaching, that distinction matters.

The strongest teams are not always the ones that win every set. Often, they are the ones that can adjust when the original plan stops working.

What Comes Next

Broadneck's immediate schedule includes an October 15 matchup with Annapolis.

The Bruins have already established themselves as one of Anne Arundel County's notable teams. Their 8-2 record includes victories over several county opponents and two particularly valuable five-set results.

But regular-season success is only the beginning.

The postseason will test whether Broadneck can maintain its offensive balance, limit mistakes and continue performing in close sets.

The Bruins have demonstrated they can sweep opponents.

Now they have demonstrated they can survive them.

DMV Volley Takeaway: Broadneck's defining characteristic may be its adaptability. The Bruins have won with serving pressure, balanced offense, defensive contributions and late-match resilience. That combination makes them a team worth watching as Maryland's volleyball postseason approaches.

Follow DMV Volley on SASN.TV for Anne Arundel County girls volleyball coverage, standout athletes, match results and the road to the Maryland state championships.

Old Mill Volleyball Game Summary:

Game#1

Old Mill Opens Volleyball Season With Sweep of Parkdale as Olivia Ballard Leads Attack

The Patriots combine 33 kills with 21 aces in a commanding three-set victory over the Panthers.

DMV Volley | September 18, 2026

MILLERSVILLE, Md. — Old Mill began its girls volleyball season with the kind of performance that offered an early glimpse of its potential.

The Patriots swept visiting Parkdale, 25-19, 25-12, 25-21, on Friday, pairing an effective attack with relentless pressure from the service line.

Olivia Ballard led Old Mill with 10 kills and a .368 hitting percentage, while Kaitlyn Fitton contributed two kills on a perfect hitting percentage in her recorded attempts.

The Patriots finished with 33 kills, 21 aces, 34 digs and 25 assists, according to the match statistics.

Old Mill took control in the opening set before delivering its most decisive performance in the second, holding Parkdale to 12 points.

The Panthers made the third set more competitive, reaching 21 points, but Old Mill closed out the match without surrendering a set.

For the Patriots, the result provided a strong opening to the season and established Ballard as an important part of their offensive production.

A more demanding challenge awaited against Northeast, which would test Old Mill's ability to maintain its composure in longer matches.

DMV Volley Takeaway: Old Mill's serving was the difference-making statistical feature. Twenty-one aces in three sets gave the Patriots a valuable weapon beyond their attack.

SEO Title: Old Mill Volleyball Sweeps Parkdale 3-0 as Olivia Ballard Records 10 Kills

Game #2

Old Mill Survives Five-Set Battle With Northeast Behind Olivia Ballard's 15 Kills

The Patriots recover from a fourth-set loss to win the deciding frame, 15-8.

DMV Volley | September 22, 2026

MILLERSVILLE, Md. — Old Mill's second match of the season required something its opener did not: a fifth set.

The Patriots met the challenge, defeating Northeast, 25-17, 19-25, 25-18, 23-25, 15-8, in a tightly contested matchup Tuesday.

Olivia Ballard delivered 15 kills with a .320 hitting percentage, while Maia Brown added eight kills and 11 total blocks, according to the reported statistics.

Old Mill finished with 47 kills, 18 total blocks, 15 aces and 35 assists.

The Patriots won the opening set and regained the advantage in the third, but Northeast continued answering.

After dropping the second set, the Eagles forced a fifth with a 25-23 victory in the fourth.

Old Mill responded by taking the deciding set 15-8, avoiding a late collapse and improving to 2-0.

The match demonstrated the importance of the Patriots' front-row production. Ballard supplied a reliable scoring option, while Brown's blocking totals highlighted Old Mill's ability to contest attacks at the net.

For a team still early in its season, winning a five-set match offered valuable experience.

The Patriots' next test would come on the road against Glen Burnie.

DMV Volley Takeaway: Old Mill proved it could close out a match after losing momentum. Ballard's offensive production and Brown's presence at the net gave the Patriots important tools in a five-set contest.

SEO Title: Old Mill Defeats Northeast 3-2 | Olivia Ballard Records 15 Kills

Tags: Old Mill Volleyball, Northeast Eagles, Olivia Ballard, Maia Brown, DMV Volley

Game #3

Glen Burnie Hands Old Mill Its First Volleyball Loss in Straight Sets

The Patriots struggle to generate offense as their unbeaten start comes to an end.

DMV Volley | September 24, 2026

GLEN BURNIE, Md. — Old Mill entered Thursday's match against Glen Burnie with two victories and a growing sense of momentum.

The Gophers brought that start to an abrupt halt.

Glen Burnie swept the Patriots, 25-21, 25-18, 25-18, handing Old Mill its first defeat of the season.

Old Mill managed 15 kills across the three sets, a significant decline from the 47 it recorded in its five-set victory over Northeast.

Olivia Ballard finished with four kills, while Maia Brown contributed one kill and three total blocks.

The Patriots recorded 42 digs and 12 aces, but those contributions were not enough to overcome their offensive difficulties.

The opening set offered Old Mill its closest opportunity. The Patriots reached 21 points before Glen Burnie finished with a four-point margin.

The next two sets followed a more decisive pattern, with the Gophers winning both 25-18.

The defeat dropped Old Mill to 2-1 and underscored a challenge that could shape the rest of its season: finding enough consistent offense against opponents capable of limiting its primary attackers.

The Patriots were scheduled to face Southern next.

DMV Volley Takeaway: Old Mill remained active defensively but struggled to turn possessions into points. Improving offensive efficiency would be central to its response.

SEO Title: Glen Burnie Sweeps Old Mill Volleyball 3-0 | Patriots Fall to 2-1

Game #4

Old Mill Starts Strong but Falls to Southern in Four Sets

Mikayla Billingsley records 10 kills as the Patriots suffer their second consecutive defeat.

DMV Volley | September 29, 2026

HARWOOD, Md. — Old Mill had the start it wanted against Southern on Tuesday. The Patriots could not sustain it.

After winning the opening set 25-20, Old Mill dropped the next three, falling to the Bulldogs, 20-25, 25-21, 25-18, 25-16.

Mikayla Billingsley led Old Mill with 10 kills, while Olivia Ballard contributed nine kills and a .261 hitting percentage.

Maia Brown added three kills and six total blocks, according to the match statistics.

The Patriots finished with 26 kills, 26 assists, 10 aces and 28 digs.

Old Mill appeared positioned to end its losing streak after taking the first set. Southern responded by winning a competitive second set, 25-21, and gradually widened the margin over the final two.

The Patriots scored 18 points in the third set and 16 in the fourth as the Bulldogs completed the comeback.

For Old Mill, the loss marked a second consecutive setback following its 2-0 start.

The performance also offered a contrast with the Patriots' early victories. Against Parkdale and Northeast, Old Mill generated enough offense to dictate portions of the match. Against Glen Burnie and Southern, sustaining that production proved more difficult.

The Patriots would have little time to dwell on the result, with a road matchup against Chesapeake Science Point scheduled for October 1.

DMV Volley Takeaway: Billingsley's 10-kill performance was encouraging, but Old Mill needed more consistent production across four sets. The Patriots' ability to protect early advantages remained a concern.

SEO Title: Southern Rallies Past Old Mill Volleyball 3-1 | Mikayla Billingsley Records 10 Kills

Game #5

Down Two Sets, Old Mill Rallies to Beat Chesapeake Science Point in Five

The Patriots reverse an early deficit with three consecutive set victories to end a two-match losing streak.

DMV Volley | October 1, 2026

HANOVER, Md. — Old Mill was two sets from another defeat Thursday, its promising start to the season threatening to give way to a three-match losing streak.

The Patriots responded with their most dramatic comeback of the season.

After dropping the first two sets to Chesapeake Science Point, Old Mill rallied for a 24-26, 12-25, 25-20, 25-9, 15-10 victory.

Mikayla Billingsley led Old Mill with 11 kills, while Maia Brown added 11 kills and three total blocks.

The Patriots finished with 38 kills, 21 aces, 36 assists and eight total blocks.

The first two sets offered little indication of the comeback to follow. Chesapeake Science Point edged Old Mill 26-24 in the opener before taking the second set 25-12.

With the match on the line, Old Mill captured the third set 25-20.

The fourth was even more decisive. The Patriots held Chesapeake Science Point to nine points, forcing a fifth set.

Old Mill completed the turnaround with a 15-10 victory in the deciding frame.

The win improved the Patriots to 3-2 and ended their two-match losing streak.

It also marked their second five-set victory of the season, following an earlier win over Northeast.

The result showed Old Mill's capacity to recover from difficult situations, even as its uneven performances continued to raise questions about consistency.

DMV Volley Takeaway: Old Mill's response after losing the second set 25-12 was the defining development. The Patriots demonstrated resilience, but avoiding slow starts would remain important against stronger opponents.

Game #6

Old Mill Sweeps North County in Statement Win Behind Balanced Attack

Olivia Ballard hits .750 as the Patriots defeat a North County team that entered 6-1.

DMV Volley | October 6, 2026

MILLERSVILLE, Md. — Old Mill's season had already included a pair of five-set victories and two difficult losses. On Tuesday, the Patriots delivered perhaps their most complete performance since opening day.

Old Mill swept North County, 25-20, 25-15, 25-20, improving to 4-2 and handing the Knights their second loss of the season.

North County entered the match with a 6-1 record, making the result particularly meaningful for the Patriots.

Olivia Ballard finished with seven kills, a .750 hitting percentage and four total blocks.

Old Mill produced 32 kills, 17 aces, 31 digs, 27 assists and seven total blocks.

The Patriots won the opening set 25-20 and established greater separation in the second, limiting North County to 15 points.

North County matched its first-set output with 20 points in the third, but Old Mill maintained control to finish the sweep.

The team statistics reflected a balanced performance. Old Mill recorded 14 more kills than North County, seven blocks to the Knights' two and five more aces.

After losing consecutive matches to Glen Burnie and Southern, the Patriots had now won two straight.

More importantly, the victory came against an opponent with a strong early-season record.

The next challenge was Annapolis, another Anne Arundel County matchup with implications for Old Mill's late-season momentum.

DMV Volley Takeaway: The North County victory was Old Mill's strongest evidence of improvement. Against a 6-1 opponent, the Patriots combined offensive production, serving pressure and blocking in a convincing three-set performance.

SEO Title: Old Mill Volleyball Sweeps North County 3-0 | Olivia Ballard Hits .750

Tags: Old Mill Patriots, North County Knights, Olivia Ballard, Anne Arundel County Volleyball, DMV Volley, SASN.TV

Game #7

Old Mill Sweeps North County in Statement Win Behind Balanced Attack

Olivia Ballard hits .750 as the Patriots defeat a North County team that entered 6-1.

DMV Volley | October 6, 2026

MILLERSVILLE, Md. — Old Mill's season had already included a pair of five-set victories and two difficult losses. On Tuesday, the Patriots delivered perhaps their most complete performance since opening day.

Old Mill swept North County, 25-20, 25-15, 25-20, improving to 4-2 and handing the Knights their second loss of the season.

North County entered the match with a 6-1 record, making the result particularly meaningful for the Patriots.

Olivia Ballard finished with seven kills, a .750 hitting percentage and four total blocks.

Old Mill produced 32 kills, 17 aces, 31 digs, 27 assists and seven total blocks.

The Patriots won the opening set 25-20 and established greater separation in the second, limiting North County to 15 points.

North County matched its first-set output with 20 points in the third, but Old Mill maintained control to finish the sweep.

The team statistics reflected a balanced performance. Old Mill recorded 14 more kills than North County, seven blocks to the Knights' two and five more aces.

After losing consecutive matches to Glen Burnie and Southern, the Patriots had now won two straight.

More importantly, the victory came against an opponent with a strong early-season record.

The next challenge was Annapolis, another Anne Arundel County matchup with implications for Old Mill's late-season momentum.

DMV Volley Takeaway: The North County victory was Old Mill's strongest evidence of improvement. Against a 6-1 opponent, the Patriots combined offensive production, serving pressure and blocking in a convincing three-set performance.

Game #8

Annapolis Ends Old Mill's Winning Streak With Three-Set Victory

The Patriots push the opening set to 25-23 but cannot sustain their attack against the Panthers.

DMV Volley | October 8, 2026

ANNAPOLIS, Md. — Old Mill arrived at Annapolis on Thursday seeking its third consecutive victory and another step toward building momentum late in the regular season.

The Panthers had other plans.

Annapolis defeated Old Mill, 25-23, 25-16, 25-20, dropping the Patriots to 4-3.

The opening set offered Old Mill its best opportunity to seize control. The Patriots stayed within two points before Annapolis secured a 25-23 victory.

The Panthers then established a larger advantage in the second set, winning 25-16, and completed the sweep with a 25-20 decision in the third.

Maia Brown led Old Mill with five kills. Lena Telson contributed three kills, a perfect hitting percentage on her recorded attempts and two total blocks.

Old Mill finished with 17 kills, 10 aces, 27 digs, 14 assists and seven total blocks.

The offensive numbers represented a decline from the Patriots' previous match, when they recorded 32 kills in a sweep of North County.

That contrast captured the inconsistency that has characterized portions of Old Mill's season.

The Patriots have demonstrated they can defeat quality opponents, but their offensive production has fluctuated significantly from match to match.

With Meade next on the schedule, Old Mill would have an opportunity to respond before the postseason.

DMV Volley Takeaway: Old Mill's ability to compete in the opening set was encouraging. Its challenge is sustaining that level across an entire match, particularly when opponents begin limiting its attack.

SEO Title: Annapolis Sweeps Old Mill Volleyball 3-0 | Patriots Drop to 4-3

Tags: Old Mill Patriots, Annapolis Panthers, Maia Brown, Lena Telson, DMV Volley, SASN.TV

Old Mill Patriots Volleyball – DMV Volley Article

Old Mill's Volleyball Season Is a Study in Resilience — and the Search for Consistency

The Patriots have survived two five-set battles and swept a strong North County team. But with the postseason approaching, their offensive fluctuations remain the biggest question.

By DMV Volley | SASN.TV | October 13, 2026

MILLERSVILLE, Md. — Old Mill's girls volleyball team has shown it can win in more than one way.

The Patriots have overwhelmed opponents with serving pressure, survived deciding sets and rallied from the brink of defeat.

They have also endured stretches when points have been difficult to generate.

Through seven reported matches, Old Mill stands at 4-3, a record that reflects both the team's potential and its inconsistency.

For a program approaching the final portion of its regular-season schedule, the question is becoming increasingly important: Which version of Old Mill will emerge when the stakes rise?

A Promising Start

The Patriots opened with consecutive victories over Parkdale and Northeast.

Against Parkdale, Old Mill recorded 33 kills and 21 aces in a straight-set victory.

Four days later, Northeast presented a much tougher challenge.

Old Mill needed five sets to secure the win, relying on 15 kills from Olivia Ballard and 11 total blocks from Maia Brown.

The Patriots entered their third match unbeaten, having already demonstrated both serving strength and the ability to prevail in a deciding set.

Then the season became more complicated.

The Cost of Inconsistency

Consecutive losses to Glen Burnie and Southern exposed weaknesses in Old Mill's offense.

Against Glen Burnie, the Patriots recorded just 15 kills in a three-set defeat.

They increased that total to 26 against Southern, but after winning the opening set, they lost the next three.

The issue was not a lack of individual talent.

Ballard remained a productive attacker, while Mikayla Billingsley contributed 10 kills against Southern.

Instead, the challenge was sustaining enough offensive production to compete across multiple sets.

Old Mill needed a response.

The Comeback That Changed the Direction

That response came October 1 against Chesapeake Science Point.

Trailing two sets to none, the Patriots faced the possibility of a third consecutive defeat.

They won the third set 25-20, dominated the fourth 25-9 and completed the comeback 15-10 in the fifth.

Billingsley and Brown each recorded 11 kills.

The victory revealed a characteristic that could prove valuable in postseason play: Old Mill's willingness to keep competing when the match appears to be slipping away.

Five days later, the Patriots delivered another significant result.

Against a North County team that entered 6-1, Old Mill won in straight sets.

Ballard finished with seven kills and a .750 hitting percentage, and the Patriots produced 32 kills and 17 aces.

It was a reminder of what Old Mill can accomplish when its offense, serving and net defense work together.

The Players Who Matter

Ballard has been one of Old Mill's most consistent offensive contributors, recording double-digit kills against Parkdale and Northeast.

Brown has made an impact at the net, with 11 total blocks against Northeast and 11 kills against Chesapeake Science Point.

Billingsley has supplied another scoring option, producing 10 kills against Southern and 11 against Chesapeake Science Point.

The Patriots have also received contributions from Lena Telson, Mirabel Crafton and other members of the rotation.

For Old Mill, developing reliable production from multiple players could help reduce the offensive swings that have appeared in several matches.

The Road Ahead

Old Mill's 3-0 loss to Annapolis on October 8 interrupted a two-match winning streak.

The Patriots remained competitive in the opening set, losing 25-23, but managed just 17 kills across the match.

It was another reminder that Old Mill's best performances have not yet become its standard.

Meade was next on the schedule for October 13.

With postseason competition approaching, the Patriots have already demonstrated they possess the resilience to survive difficult matches and the ability to defeat strong opponents.

What remains uncertain is whether they can produce that level of volleyball consistently.

DMV Volley Takeaway: Old Mill has the ingredients of a dangerous postseason opponent: a productive middle attack, aggressive serving and two five-set victories. Its biggest challenge is turning those strengths into reliable match-to-match performance.

Follow DMV Volley on SASN.TV for Anne Arundel County volleyball coverage, athlete features, game results and Maryland postseason storylines.
