But Wise responded decisively in the third, winning 25-14 to regain control.

The Pumas then closed out the match with a 25-20 victory in the fourth set.

Flowers fell to 2-6 with the defeat.

Wise was scheduled to face DuVal on Wednesday, October 14, with an opportunity to build on its latest victory.

DMV Volley Takeaway: Wise showed resilience after dropping the second set, responding with a convincing third-set performance before closing out Flowers in four. The victory helped restore momentum following the Bowie defeat.

Wise Pumas DMV Volley Story:

Wise Volleyball Builds 7-2 Start Behind Lalah Washington and a Resilient Pumas Attack

After opening with four consecutive wins, Wise has shown an ability to respond to setbacks as its Prince George's County schedule intensifies.

UPPER MARLBORO, Md. — October 12, 2026 — Wise has spent the opening month of the 2026 volleyball season establishing itself as a competitive force in Prince George's County.

The Pumas have won seven of their first nine matches, combining dominant straight-set victories with difficult tests that have required composure and resilience.

At the center of that success has been Lalah Washington.

The Wise outside hitter has emerged as one of the team's most productive offensive players, delivering standout performances in several of the Pumas' biggest victories.

Washington recorded 15 kills in a five-set win over Laurel on September 16, then delivered 17 kills against Parkdale on October 5.

She also contributed nine kills in Wise's victory over Bladensburg and nine more in a loss to Bowie.

Her production has provided Wise with an offensive foundation during a season marked by both dominant performances and difficult challenges.

The Pumas opened with four consecutive victories.

They swept High Point, survived a five-set battle against Laurel and overwhelmed Suitland in straight sets.

The Suitland victory was particularly convincing, with Wise allowing just 18 points across three sets.

But the unbeaten start ended September 28, when Eleanor Roosevelt defeated Wise in straight sets.

The Raiders held the Pumas to 34 combined points, delivering a reminder of the level of competition Wise would face throughout the season.

The response was encouraging.

Wise returned two days later and defeated Bladensburg in straight sets, with Niyah Newman earning Player of the Match honors.

The Pumas followed with a four-set victory over Parkdale before suffering their second defeat against Bowie.

Once again, Wise responded.

On October 12, the Pumas defeated Flowers in four sets, winning the final two after the Jaguars evened the match.

That ability to recover from setbacks has become an important part of Wise's early-season identity.

The Pumas have also received contributions beyond Washington.

Newman recorded eight kills against Bladensburg and five against Parkdale, while Jaisen Green earned Player of the Match recognition during Wise's sweep of Suitland.

With a 7-2 record through October 12, Wise enters the next phase of its schedule positioned to remain competitive in Prince George's County volleyball.

The Pumas are scheduled to face DuVal on October 14.

DMV Volley Takeaway: Wise's early success has been built around Washington's offensive production, contributions from teammates and the ability to respond after losses. The next challenge is translating that consistency into victories against the county's strongest opponents.

Wise Pumas Boys Soccer – Live From The Pitch

Game #1

Wise Opens Soccer Season With 2-0 Shutout of Bishop McNamara

Pumas begin campaign with road victory as defense sets the tone.

FORESTVILLE, Md. — Wise began its soccer season on the road and delivered the kind of performance that can establish an early identity: a victory built around defense.

The Pumas defeated Bishop McNamara, 2-0, on Tuesday, opening their campaign with a shutout against the Mustangs.

Wise scored twice while preventing McNamara from finding the net, securing a clean sheet in its first match of the season.

The result gave the Pumas a 1-0 start and offered an encouraging foundation before the beginning of their Prince George's County conference schedule.

For Bishop McNamara, the loss was its second consecutive defeat and dropped the Mustangs to 1-3.

The victory also demonstrated Wise's ability to win away from home, an important factor with another road contest approaching.

The Pumas were scheduled to face Parkdale in their conference opener, presenting an early opportunity to measure themselves against county competition.

Live From The Pitch Takeaway: Wise could hardly have asked for a better defensive beginning. The Pumas opened with three points in the standings and a clean sheet, establishing a standard they would look to carry into conference play.

Game #2

Parkdale Hands Wise First Soccer Loss With 5-0 Victory

Panthers continue impressive home form as Pumas struggle offensively in conference opener.

RIVERDALE, Md. — Wise entered its first conference soccer match hoping to build on a season-opening shutout victory.

Parkdale had other plans.

The Panthers defeated the visiting Pumas, 5-0, on Thursday, handing Wise its first loss of the season and extending Parkdale's home winning streak to 12 matches dating to the previous season.

The result left both teams with 1-1 records.

For Wise, the defeat represented a sharp contrast to its opening performance against Bishop McNamara.

After scoring twice and recording a shutout in its first match, the Pumas were unable to find the net against a Parkdale team that maintained its strong home-field form.

The five-goal margin also presented Wise with an immediate challenge: regrouping defensively while finding ways to generate more consistent attacking opportunities.

The Pumas were scheduled to return home to face DuVal, their first home appearance of the season.

Live From The Pitch Takeaway: Wise's conference opener demonstrated the difference between an encouraging start and the demands of a competitive league schedule. The Pumas needed a response after surrendering five goals and being held scoreless.

Final Score: Parkdale 5, Wise 0

Game #3

DuVal Defeats Wise 4-2 as Pumas Drop Second Straight Soccer Match

Wise doubles its scoring output from previous game but cannot overcome Tigers.

UPPER MARLBORO, Md. — Wise found its way back onto the scoreboard Monday, but the offensive improvement was not enough to prevent a second consecutive defeat.

DuVal defeated the host Pumas, 4-2, dropping Wise to 1-2 on the season.

The result followed a 5-0 loss to Parkdale in Wise's conference opener.

Against DuVal, the Pumas produced two goals, ending their scoring drought and showing signs of offensive progress.

But the Tigers answered with four goals of their own, preventing Wise from turning that improvement into a victory.

Through three matches, the Pumas had experienced both ends of the defensive spectrum.

They opened the season with a 2-0 shutout of Bishop McNamara but had conceded nine goals in their next two contests.

That contrast underscored the challenge facing Wise as it worked to establish consistency.

The Pumas were scheduled to remain at home for a matchup against Laurel, looking to end their two-match skid.

Live From The Pitch Takeaway: Wise's two goals against DuVal were a positive development after being shut out by Parkdale. The next step was finding a balance between creating scoring chances and limiting opportunities for opponents.

Wise Scores Season-High Three Goals but Falls to Laurel, 5-3

Pumas' offense improves, but defensive struggles continue in third straight defeat.

UPPER MARLBORO, Md. — Wise produced its highest-scoring performance of the season Thursday, but the Pumas' offensive progress was overshadowed by another difficult defensive outing.

Laurel defeated Wise, 5-3, extending the Pumas' losing streak to three matches.

The defeat dropped Wise to 1-3, while Laurel improved to 1-3 with its first victory of the season.

For the Pumas, the three-goal performance represented an encouraging offensive step.

Wise had scored twice against Bishop McNamara in its opener, gone scoreless against Parkdale and managed two goals against DuVal.

Against Laurel, the Pumas improved that output to three goals.

But Wise also surrendered five, matching the number it had allowed against Parkdale.

The Pumas had now conceded 14 goals over their previous three matches.

The loss also marked the second consecutive game in which Wise fell by exactly two goals, following its 4-2 defeat against DuVal.

The Pumas were scheduled to travel to Eleanor Roosevelt, hoping to end the losing streak and improve their defensive performance.

UPPER MARLBORO, Md. — Wise produced its highest-scoring performance of the season Thursday, but the Pumas' offensive progress was overshadowed by another difficult defensive outing.

Laurel defeated Wise, 5-3, extending the Pumas' losing streak to three matches.

The defeat dropped Wise to 1-3, while Laurel improved to 1-3 with its first victory of the season.

For the Pumas, the three-goal performance represented an encouraging offensive step.

Eleanor Roosevelt Blanks Wise 3-0, Extends Pumas' Losing Streak

Wise falls to 1-4 as offensive inconsistency returns.

GREENBELT, Md. — Wise's search for a return to winning form continued Thursday as Eleanor Roosevelt defeated the Pumas, 3-0, in a Prince George's County soccer matchup.

The loss extended Wise's losing streak to four matches and dropped its record to 1-4.

The Pumas entered the contest after scoring three goals against Laurel, their highest total of the season.

But against Roosevelt, Wise was unable to sustain that offensive momentum.

The Raiders held the Pumas scoreless while producing three goals to secure the victory.

It marked the second time in four matches that Wise had been shut out.

Since opening the season with a 2-0 victory over Bishop McNamara, the Pumas had suffered defeats against Parkdale, DuVal, Laurel and Roosevelt.

The four-game stretch highlighted the challenge of maintaining consistency against conference opponents.

Wise was scheduled to travel to Bladensburg for its next match, facing a Mustangs team that had been productive offensively during its recent home games.

Live From The Pitch Takeaway: Wise's offensive improvement against Laurel did not carry over against Roosevelt. The Pumas needed to regain the scoring touch they showed earlier in the season while strengthening their defense.

Final Score: Eleanor Roosevelt 3, Wise 0

Game #6

Bladensburg Extends Wise's Losing Streak With 4-0 Shutout

Mustangs' attack proves too much as Pumas fall to 1-5.

BLADENSBURG, Md. — Wise's difficult stretch continued Monday as Bladensburg defeated the Pumas, 4-0, extending their losing streak to five matches.

The loss dropped Wise to 1-5 and marked its second consecutive shutout defeat.

Bladensburg entered the contest with momentum after defeating Gwynn Park, 5-0, in its previous match.

The Mustangs carried that form into their meeting with Wise, scoring four times while preventing the Pumas from getting on the scoreboard.

Wise had now gone two consecutive matches without a goal, following its 3-0 loss to Eleanor Roosevelt.

The Pumas' lone victory remained their season-opening 2-0 win over Bishop McNamara.

For Bladensburg, the victory continued a productive stretch at home, where the Mustangs had won three of their previous four contests.

Wise was scheduled to return home to face High Point, looking to halt its skid and rediscover the attacking form it displayed earlier in the season.

Live From The Pitch Takeaway: The Pumas faced a difficult combination of scoring droughts and defensive pressure. Their next opportunity against High Point offered a chance to reset before the schedule moved deeper into October.

Final Score: Bladensburg 4, Wise 0

Flowers Defeats Wise 4-2 as Pumas' Soccer Skid Reaches Seven

Wise finds the net twice but cannot end its losing streak.

SPRINGDALE, Md. — Wise generated two goals Monday against Flowers, but the Pumas could not turn that offensive production into a victory.

Flowers defeated Wise, 4-2, extending the Pumas' losing streak to seven matches.

The result left Wise with a 1-7 record.

The loss continued a challenging stretch for a team that had opened the season with a shutout victory over Bishop McNamara.

Since that opening win, Wise had struggled to find consistency against Prince George's County opponents.

The two goals against Flowers represented an improvement over recent shutout defeats against Eleanor Roosevelt and Bladensburg.

But the Pumas once again conceded four goals, preventing them from closing the gap.

Wise's next scheduled opponent was Bowie, a team entering the matchup with three consecutive victories and a strong recent defensive record.

The Bulldogs had not allowed a goal in their previous three matches.

That presented another difficult test for a Wise team searching for a way to turn improved attacking production into victories.

Live From The Pitch Takeaway: Wise showed renewed offensive life against Flowers, but defensive consistency remained elusive. Ending the losing streak would require the Pumas to build on that scoring improvement while reducing the number of goals conceded.

Final Score: Flowers 4, Wise 2

Wise Stuns Higher-Ranked Northwestern 2-1 as Pumas Continue Late-Season Turnaround

Pumas overcome major rankings disadvantage to improve to 3-7.

UPPER MARLBORO, Md. — Wise's soccer season has been defined by adversity, but the Pumas delivered one of their most encouraging results with a 2-1 victory over Northwestern.

The win improved Wise to 3-7 and marked its second victory in three matches following an extended losing streak.

The result was particularly notable given the difference in the teams' MaxPreps Maryland rankings at the time.

Wise entered ranked No. 174, while Northwestern was No. 38.

But the Pumas overcame that disparity to secure a one-goal victory over a Wildcats team that entered the contest with a strong record.

Northwestern fell to 7-3 with the loss.

The victory also represented a significant improvement over Wise's previous meeting with Northwestern, which the Pumas had lost by three goals.

This time, Wise scored twice and limited the Wildcats to one goal.

The defensive performance was especially important for a Pumas team that had struggled to prevent opponents from scoring during its losing streak.

Wise had endured seven consecutive defeats earlier in the season, but its recent 2-1 stretch suggested the team was beginning to find more consistent form.

The Pumas were scheduled to host Suitland next, hoping to build on their latest victory.

Live From The Pitch Takeaway: Wise's win over Northwestern was its most significant reported result since the season opener. Defeating a substantially higher-ranked opponent demonstrated progress on both sides of the ball and offered momentum entering the next phase of the schedule.

Final Score: Wise 2, Northwestern 1

Wise Pumas Soccer Story:

From Seven Straight Losses to a Statement Win: Wise Soccer Shows Signs of a Turnaround

The Pumas' 2-1 victory over Northwestern offers a new perspective on a difficult season.

UPPER MARLBORO, Md. — The first victory of Wise's soccer season suggested the Pumas might be ready for a promising campaign.

A 2-0 road shutout of Bishop McNamara gave Wise an encouraging start, built around defensive discipline and an ability to finish scoring opportunities.

What followed was considerably more difficult.

The Pumas lost seven consecutive matches, enduring defensive struggles, scoring droughts and difficult conference matchups.

But Wise's latest result suggests the season's story may not be finished.

The Pumas defeated Northwestern, 2-1, in a notable upset that improved their record to 3-7.

It was Wise's second victory in three matches and came against a Northwestern team ranked significantly higher in the MaxPreps Maryland soccer standings.

The contrast between the two programs made the result especially meaningful.

Northwestern entered ranked No. 38 in the state, while Wise was No. 174.

Yet the Pumas found a way to win.

The victory followed a difficult opening stretch in which Wise struggled to establish consistency.

After defeating Bishop McNamara, the Pumas suffered a 5-0 loss to Parkdale, a 4-2 defeat against DuVal and a 5-3 loss to Laurel.

The offense occasionally showed promise, particularly against Laurel, but defensive struggles continued.

Shutout losses to Eleanor Roosevelt and Bladensburg added to the frustration.

A 4-2 defeat against Flowers extended the losing streak to seven matches.

Through those challenges, Wise continued searching for the balance that had produced its season-opening victory.

The win over Northwestern offered evidence of progress.

Wise scored twice and held the Wildcats to one goal, demonstrating the combination of offensive production and defensive resistance that had been missing during much of the losing streak.

For a team that had previously lost to Northwestern by three goals, the narrow victory also represented a measurable improvement.

Now 3-7, Wise has an opportunity to build on that progress.

The Pumas were scheduled to face Suitland next, with the chance to continue their recent turnaround.

Live From The Pitch Takeaway: Wise's season has not followed an easy path, but its victory over Northwestern demonstrates why development matters beyond the win-loss column. After seven consecutive defeats, the Pumas have shown they can compete with — and defeat — a higher-ranked opponent.

Elizabeth Velasquez Scores Hat Trick as Wise Opens Girls Soccer Season With 8-0 Rout of Crossland

Pumas deliver eight-goal road victory to begin 2026 campaign.

TEMPLE HILLS, Md. — Wise wasted little time announcing its arrival in the 2026 girls soccer season.

Behind a three-goal performance from Elizabeth Velasquez, the Pumas overwhelmed Crossland, 8-0, on Tuesday, September 8, opening their campaign with a convincing road victory.

Velasquez recorded a hat trick and six individual points, providing the offensive highlight of a match in which Wise controlled the final score from start to finish.

The Pumas combined their highest offensive output of the young season with a clean sheet, keeping the Cavaliers off the scoreboard.

The victory gave Wise a 1-0 record and offered an encouraging beginning for a team preparing to enter Prince George's County conference competition.

Crossland fell to 0-1.

The Pumas' eight-goal performance established an early offensive benchmark and demonstrated their ability to generate scoring opportunities away from home.

Wise was scheduled to face Parkdale next, beginning its conference schedule against the Panthers.

For the Pumas, the challenge would be carrying the same offensive energy and defensive consistency into a more demanding league matchup.

Live From The Pitch Takeaway: Velasquez's opening-day hat trick made her an early player to watch. Wise's combination of eight goals and a shutout gave the Pumas an ideal start.

Final Score: Wise 8, Crossland 0

Player Spotlight: Elizabeth Velasquez — 3 goals, 6 points.

Sade Ford Scores Twice as Wise Rallies Past Parkdale 3-2 in Overtime

Pumas erase halftime deficit to remain unbeaten in conference opener.

UPPER MARLBORO, Md. — Wise faced its first major test of the girls soccer season Thursday, and the Pumas responded with a comeback.

Trailing Parkdale at halftime, Wise rallied to force overtime before securing a 3-2 victory in its Prince George's County conference opener.

Sade Ford scored twice for the Pumas, who improved to 2-0 with the dramatic win.

Parkdale established an early advantage, scoring twice in the first half to take a 2-1 lead into the break.

Wise answered in the second half with the equalizer, holding the Panthers scoreless after halftime and sending the contest into overtime.

The Pumas then delivered the decisive goal in the extra period to complete the comeback.

Heycel Bautista contributed a goal and an assist, finishing with three points, while goalkeeper Blessing Igberase recorded five saves.

The result was a different kind of victory from Wise's 8-0 season-opening rout of Crossland.

Instead of controlling the scoreboard throughout, the Pumas were forced to overcome adversity against a conference opponent.

Parkdale fell to 0-1.

Wise was scheduled to host DuVal in its next match, looking to extend its unbeaten start.

Live From The Pitch Takeaway: Wise demonstrated an ability to respond under pressure. Ford's two goals, Bautista's contributions and a second-half defensive shutout helped the Pumas turn a halftime deficit into an overtime victory.

Final Score: Wise 3, Parkdale 2 (OT)

Key Performers:

- Sade Ford — 2 goals, 4 points.
- Heycel Bautista — 1 goal, 1 assist, 3 points.
- Blessing Igberase — 5 saves.

Wise Stays Perfect With 5-1 Victory Over DuVal Behind Gonzalez and Kamara

Pumas score three first-half goals to improve to 3-0.

UPPER MARLBORO, Md. — Wise continued its unbeaten start Monday with another impressive offensive performance, defeating DuVal, 5-1, in a Prince George's County girls soccer matchup.

Brittany Gonzalez and Barikeh Kamara scored two goals apiece as the Pumas improved to 3-0.

Gonzalez also recorded two assists, finishing with six points in one of Wise's most productive individual performances of the young season.

Wise established control early, scoring three goals in the first half while keeping DuVal off the scoreboard.

The Pumas added two more goals after halftime.

DuVal managed its lone goal in the second half, but the Tigers were unable to significantly reduce the deficit.

Kamara finished with four points on her two goals, giving Wise multiple offensive contributors in the victory.

Goalkeeper Blessing Igberase was credited with three saves and no goals allowed during her recorded playing time.

The result continued a strong opening stretch for the Pumas, who had already defeated Crossland and Parkdale.

Through three games, Wise had scored 16 goals while allowing only three.

DuVal fell to 0-2.

Wise was scheduled to face Laurel next, looking to extend its winning streak.

Elizabeth Velasquez Delivers Two Goals as Wise Holds Off Laurel, 2-1

Pumas survive seven-save effort from goalkeeper Blessing Igberase to improve to 4-0.

UPPER MARLBORO, Md. — Wise's unbeaten start continued Thursday, but Laurel made the Pumas work for every goal.

Elizabeth Velasquez scored twice, and goalkeeper Blessing Igberase made seven saves as Wise defeated the Spartans, 2-1, in a nonconference girls soccer matchup.

The victory improved Wise to 4-0 and extended a strong opening stretch for the Upper Marlboro program.

Both teams found the net during the first half, but Wise held the advantage at the break after scoring twice to Laurel's one goal.

Neither team scored in the second half.

That left the Pumas protecting a narrow lead against a Laurel squad attempting to find an equalizer.

Igberase's seven saves proved significant in preserving the one-goal victory.

Velasquez accounted for both Wise goals, finishing with four points.

Brittany Gonzalez added an assist, continuing her productive start to the season after a six-point performance against DuVal.

The victory gave Wise its fourth consecutive win, following earlier triumphs over Crossland, Parkdale and DuVal.

Laurel fell to 1-2.

Wise was scheduled to face Eleanor Roosevelt next, setting up another test for the undefeated Pumas.

Live From The Pitch Takeaway: Velasquez supplied the scoring, but Igberase's seven saves were equally important. Wise showed it could protect a narrow lead and win without the offensive margin it enjoyed in earlier games.

Final Score: Wise 2, Laurel 1

Key Performers:

- Elizabeth Velasquez — 2 goals, 4 points.
- Brittany Gonzalez — 1 assist.
- Blessing Igberase — 7 saves, 1 goal allowed.

Bladensburg Shuts Out Wise 4-0 as Pumas Suffer First Region Defeat

Mustangs halt Wise's attack and hand Pumas another setback after unbeaten start.

BLADENSBURG, Md. — Wise's promising start to the girls soccer season encountered another obstacle Monday as Bladensburg defeated the Pumas, 4-0.

The Mustangs kept Wise off the scoreboard and handed the Pumas their first region loss.

The defeat dropped Wise to 4-2 overall and 2-1 in region play, according to the reported standings.

For the Pumas, the result was a sharp contrast to their first four games, when they combined timely scoring with a series of strong performances from their leading attackers.

Against Bladensburg, Wise was unable to generate a goal.

The Mustangs, meanwhile, continued a productive recent stretch, winning for the third time in four matches and improving to 3-3.

The defeat also marked Wise's second consecutive four-goal loss, although the preceding game's opponent and score were not included in the supplied report.

After opening the season with four consecutive victories, the Pumas now faced the challenge of recovering from back-to-back defeats.

Wise was scheduled to host High Point next, providing an opportunity to regain momentum.

Live From The Pitch Takeaway: Bladensburg exposed Wise's offensive difficulties during its first losing stretch. The Pumas needed to rediscover the scoring form that produced 18 goals across their opening four victories.

Final Score: Bladensburg 4, Wise 0

Velasquez Scores Twice as Wise Rebounds With 2-0 Shutout of High Point

Pumas break scoreless tie in second half to earn fifth victory.

UPPER MARLBORO, Md. — After a difficult stretch, Wise found the response it needed Thursday.

Elizabeth Velasquez scored twice in the second half, and goalkeeper Blessing Igberase recorded two saves as the Pumas defeated High Point, 2-0, in a nonconference girls soccer matchup.

The victory improved Wise to 5-2 and ended a two-game losing streak.

For much of the contest, neither team could break through.

The first half ended scoreless, leaving the Pumas searching for the goal that would put them ahead.

Wise finally broke the deadlock after halftime.

Velasquez supplied both goals, finishing with four points and once again demonstrating her importance to the Pumas' attack.

Igberase helped preserve the shutout with two saves.

The result marked Wise's second shutout victory of the season, following its 8-0 win over Crossland in the opener.

The Pumas also recorded five corner kicks, compared with none for High Point.

After being held scoreless against Bladensburg, Wise's two-goal second half provided an encouraging sign of offensive recovery.

High Point fell to 0-4.

Wise was scheduled to face Flowers next in a Prince George's County conference matchup.

Flowers Pulls Away From Wise 4-0 Despite 15 Saves From Blessing Igberase

Jaguars score three second-half goals to hand Pumas third loss.

SPRINGDALE, Md. — Wise goalkeeper Blessing Igberase faced sustained pressure Monday, recording 15 saves against Flowers.

But even that performance could not prevent the Jaguars from pulling away.

Flowers defeated Wise, 4-0, in a Prince George's County girls soccer matchup, scoring three times in the second half to secure the shutout.

The loss dropped Wise to 5-3.

Flowers improved to 6-2.

The Jaguars established a 1-0 halftime lead before adding three goals after the break.

Wise was unable to find the net, suffering its third shutout loss of the season.

Igberase's 15 saves were the standout individual statistic for the Pumas.

Her workload illustrated the pressure Flowers applied throughout the match, particularly as the Jaguars expanded their advantage in the second half.

Wise entered the contest following a 2-0 victory over High Point, when Elizabeth Velasquez scored both goals.

Against Flowers, however, the Pumas were unable to reproduce that offensive success.

The result left Wise searching for greater consistency as the schedule continued.

The Pumas were scheduled to face Bowie next.

Live From The Pitch Takeaway: Igberase's 15-save performance deserves recognition despite the defeat. Wise's next challenge was reducing the number of scoring opportunities allowed while restoring its own attacking production.

Final Score: Flowers 4, Wise 0

Player Spotlight: Blessing Igberase — 15 saves.

Bowie Overwhelms Wise 7-0 as Pumas Drop Second Consecutive Match

Bulldogs extend winning streak while Wise struggles to generate offense.

UPPER MARLBORO, Md. — Wise's late-season difficulties continued Thursday as Bowie defeated the Pumas, 7-0, in a Prince George's County girls soccer matchup.

The defeat dropped Wise to 5-4 and marked its second consecutive shutout loss.

Bowie improved to 6-6 and extended its winning streak to three matches.

The Bulldogs' seven-goal performance represented the most goals Wise had allowed in a reported match this season.

For the Pumas, the loss followed a 4-0 defeat against Flowers, creating a difficult two-game stretch in which they had been outscored 11-0.

Wise had opened the season with four consecutive victories, scoring 18 goals during that stretch.

But its offense had become less consistent against several of its recent opponents.

The defeat against Bowie underscored the challenge of competing against teams capable of applying sustained offensive pressure.

Wise was scheduled to face Northwestern next, hoping to end its two-match skid and regain the form that helped it start the season unbeaten.

Live From The Pitch Takeaway: Wise faced its toughest reported defensive result of the season. With the schedule continuing, the Pumas needed to reestablish their defensive structure and find ways to generate scoring chances.

Final Score: Bowie 7, Wise 0

Northwestern Breaks Second-Half Deadlock to Edge Wise Girls Soccer, 2-1

Pumas enter halftime tied but fall at home for the first time this season.

UPPER MARLBORO, Md. — For one half Monday, Wise matched Northwestern goal for goal.

But the Wildcats found the decisive breakthrough after halftime, defeating the Pumas, 2-1, in a closely contested girls soccer matchup.

The loss dropped Wise to 5-5 and marked its first home defeat of the season.

Northwestern improved to 4-7-1, snapping a three-match losing streak.

The teams entered halftime tied at 1, leaving the outcome undecided after the opening period.

Northwestern then scored the decisive goal in the second half.

Wise was unable to answer, suffering its third consecutive defeat.

Still, the result represented a more competitive performance than the Pumas' previous two matches.

Wise had been shut out by Flowers, 4-0, and Bowie, 7-0.

Against Northwestern, the Pumas returned to the scoreboard and remained within one goal of the Wildcats.

The defeat brought Wise to an even 5-5 record after a season that began with four straight victories.

The Pumas were scheduled to host Suitland next, seeking to end their losing streak and regain momentum.

Live From The Pitch Takeaway: Wise showed improvement after consecutive lopsided defeats, but the Pumas could not protect the halftime tie. Their ability to remain competitive against Northwestern offers something to build on entering the next match.

Wise Pumas girls Article – Live From the Pitch

Wise Girls Soccer's Perfect Start Gives Way to Midseason Challenges, but Talent Remains

Velasquez, Gonzalez and Igberase have delivered standout performances as the Pumas search for consistency.

UPPER MARLBORO, Md. — For the first four matches of the 2026 girls soccer season, Wise looked like one of the most promising teams in its portion of Prince George's County.

The Pumas scored 18 goals, won four consecutive games and demonstrated an ability to win in different ways.

There was the season-opening 8-0 rout of Crossland, powered by an Elizabeth Velasquez hat trick.

There was the 3-2 overtime comeback against Parkdale, when Sade Ford scored twice and Wise erased a halftime deficit.

And there was the 5-1 victory over DuVal, highlighted by Brittany Gonzalez's two goals and two assists.

By the time Wise defeated Laurel, 2-1, behind two more Velasquez goals and seven saves from goalkeeper Blessing Igberase, the Pumas were 4-0.

But high school soccer seasons are rarely defined by the opening month alone.

Wise's schedule became more difficult, and the Pumas began experiencing the kind of offensive and defensive inconsistency that can change a team's trajectory.

The Pumas suffered consecutive defeats, including a 4-0 loss to Bladensburg, before responding with a 2-0 shutout of High Point.

Velasquez scored both goals against the Eagles, and Igberase helped preserve the clean sheet.

The recovery proved temporary.

Wise then fell to Flowers, Bowie and Northwestern, dropping its record to 5-5.

Yet the team's individual performances have remained notable.

Velasquez has been a consistent offensive presence, scoring multiple goals in several victories.

Gonzalez has contributed both as a scorer and a creator, while Ford delivered a crucial two-goal performance in the overtime victory against Parkdale.

Igberase has faced demanding stretches in goal, including a 15-save effort against Flowers.

The challenge for Wise now is translating those individual contributions into more consistent team results.

The Pumas have shown they can score in bunches, win close matches and protect narrow leads.

They have also experienced the consequences of defensive breakdowns and prolonged scoring droughts.

At 5-5, Wise still has an opportunity to reshape the direction of its season.

Its next reported matchup against Suitland offers another chance to respond.

Live From The Pitch Takeaway: Wise's season is a reminder that development is not always linear. The Pumas have demonstrated offensive talent, goalkeeping resilience and the ability to win under pressure. Their next step is putting those qualities together more consistently.
